

Beautification Awards

Nomination Form

Dear Neighbors:

From time to time, each of us sees a property that is extraordinarily pleasing to view. It is likely that the owners have spent considerable time, effort and expense to make their property so pleasing. We applaud them and we want to recognize them. When you see such a property, be it residential, commercial, or industrial, use this nomination form to report it to us. We will see that the owner receives appropriate recognition.

Sincerely,

A handwritten signature in dark ink that reads "Jim Holland". The signature is fluid and cursive.

Jim Holland
Mayor

Mission Statement Beautification Awards Program

The mission of the Village of Frankfort Beautification Awards is to give public recognition to projects that exhibit functional and tasteful design and therefore enhance the Village of Frankfort.
